

## **FOR IMMEDIATE RELEASE**

The Undersea and Hyperbaric Medical Society has been (re)surveyed by the Accreditation Council for Continuing Medical Education (ACCME) and awarded **Accreditation With Commendation for 6 years** as a provider of continuing medical education for physicians.

ACCME accreditation seeks to assure both physicians and the public that continuing medical education activities provided by Undersea and Hyperbaric Medical Society meet the high standards of the Essential Areas, Elements and Policies for Accreditation as specified by the ACCME. The ACCME rigorously evaluates the overall continuing medical education programs of institutions according to standards adopted by all seven sponsoring organizations of the ACCME. These are: the American Board of Medical Specialties; the American Hospital Association; the American Medical Association; the Association for Hospital Medical Education; the Association of American Medical Colleges; the Council of Medical Specialty Societies; and the Federation of State Medical Boards of the U.S., Inc.

This top recognition solidifies the UHMS' position to offer quality CME programs within the field of Undersea and Hyperbaric Medicine. Education remains the top priority of the Society and we strive to continue to evolve our program to meet this demand.

To view a listing of our approved CME activities and other educational opportunities, please visit the calendar on our website. For further information regarding the Undersea & Hyperbaric Medical Society's CME program, please contact me at 919-490-5140 or visit the website at [www.uhms.org](http://www.uhms.org).
