Dear Customer,

On October 28, 2014, ZOLL announced the purchase of substantially all of the assets of Impact Instrumentation, Inc. Impact has been designing and manufacturing portable and automatic emergency ventilators, portable and onboard aspirators, custom mounting systems and specialized testing systems for over 35 years.

Unfortunately, due to the obsolescence of a number of the components required to manufacture the Impact 754 Eagle™ Uni-Vent® Ventilator; ZOLL will be discontinuing the sale of this particular line of ventilators effective June 30, 2015. ZOLL will continue to provide service and support for this ventilator, to the best of our ability for seven (7) years, provided that components and accessories continue to be available from our suppliers. ZOLL will continue to offer the 754 until June 30, 2015 or until inventory has been depleted.

Description	Part Number	Items Included
Impact 754 Eagle™ Uni-Vent®	800-0754-01 800-0754-02	754 Portable Ventilator System Includes: Ventilator Compressor-Air/Oxygen Mixer, Rechargeable Battery Pack, AC Power Supply/Charger, Air and Oxygen Hoses, 12 VDC Power Cable, Disposable Patient Circuit, Operator's Manual, Padded Case
754 cart with rolling or locking wheels	816-0816-00 816-0816-01	Rolling Cart, (Model 754) Rolling Cart, with Locking Casters (Model 754)

In an effort to provide the same functionality and life-saving capabilities as the 754 Eagle Uni-Vent, ZOLL is pleased to offer the 731 Series Model EMV+®, Eagle II™ and AEV® ventilators. The 731 Series ventilators are the next generation of the 754. They are functionally equivalent with the added benefits of significantly advanced clinical monitoring capabilities that include Masimo SET® technology, pressure targeted breath modes, non-invasive ventilation with leak compensation, Smart Help™, and a 10 hour battery run time.

We apologize for any inconvenience this may cause.

If you have any further questions, please contact your local ZOLL/Impact sales representative or customer service at 800-969-0750

Sincerely,

*Nicole Dunn*
